About Me

A third-year BTech student majoring in Artificial Intelligence. I'm passionate about learning how technology can be used to solve real-world challenges. I enjoy exploring new concepts in AI, programming, and building creative solutions through code.

I'm driven by curiosity and a desire to keep improving my technical skills. Outside academics, I like working on personal projects and continuously exploring new areas in tech that excite me.

Educational Background

B.Tech in Artificial Intelligence

2023 – 2027

📍 SRM University AP, Neerukonda

3rd Year
B.Tech Student

AI
Specialization

Skills & Technologies

A comprehensive toolkit built through academic learning, personal projects, and hands-on experience

Programming Languages

Python

C++

Web Technologies

HTML5

CSS3

JavaScript

PHP

ReactJS

Database & Tools

MySQL

GitHub

VS Code

XAMPP

Jupyter Notebook

Projects

CineGo - Movie Booking

Full-stack app: login, booking, history, food order.

Code

Quiz App

Domain quizzes, result analysis, performance tracking.

Code
